Case No. 13AC000505

ORDER OF PRELIMINARY INJUNCTION

This matter is before the Court on Plaintiffs' motion for a temporary restraining order and preliminary injunction, supported by the verified petition herein, from which it reasonably appears that HB 331 and HB 345 violate multiple provisions of the Missouri Constitution. The implementation, enforcement, application, or assertion of any provision of HB 331 or HB 345 will subject Plaintiffs to the unwarranted burdens of unconstitutional laws and immediate and irreparable injury, loss, or damage will result in the absence of relief and preservation of the status quo. Accordingly,

IT IS HEREBY ORDERED that HB 331 and HB 345 are hereby enjoined and stayed from becoming effective for any purposes and Defendant State of Missouri, its agents, servants, employees, attorneys, all persons in active concert or participation with them, and all persons who have or shall receive actual notice of this order shall not implement, enforce, apply, or assert any provision of HB 331 or HB 345.

IT IS HEREBY FURTHER ORDERED that this preliminary injunction shall remain in full force and effect until further order of the Court.

ES

IT IS HEREBY FURTHER ORDERED that this preliminary injunction shall be conditioned on Plaintiff giving security in the amount of \$ 100.00, as sufficient to secure the amount or other matter to be enjoined, and all damages that may be occasioned by such injunction to the parties enjoined, or to any party interested in the subject matter of the controversy.
